INSIST ON AN AUTOMATIC GAS WATER HEATER

with a

10-YEAR WARRANTY PLAN

YOU PAY A LITTLE MORE NOW, BUT FAR LESS IN THE LONG RUN

All automatic gas water heaters look more or less alike. Some cost more than others, of course. The lower-priced models naturally aren't built to give as many years of service as the models that carry a 10-year warranty plan.

That's why... when you buy a new automatic gas water heater... you should insist on a make and model that carries this 10-year warranty plan. This plan is your assurance of a top-quality appliance built for long and carefree service. You'll find it at your plumber-dealer's.
